Text Responses

Would you recommend this course? Why or why not?

yes

Yes. Was very interesting to learn about.

What advice would you give to another student who is considering taking this course?

study and participate in class

Study and dont take advantage of easy concepts, because there are harder ones.

Would you recommend this instructor? Why or why not?

Yes. Dr.Porter is awesome and really nice and easy to talk to if you have a problem.

yes

Why were you engaged in this course?

i attended most classes

It was interesting and made me understand more when engaged.
